LUTHERAN THEOLOGICAL CONVICTIONS—Our core theological convictions when understood and articulated, instill confidence and courage to love and enjoy God more fully. Five centuries later, the voice of Martin Luther can still be heard. Join Pr. Jennifer beginning on Wednesday, September 23rd at 6:30PM as she explores weekly these theological convictions grounded in Reformation theology with a refreshing awareness that is intended to remind you of the way that Luther calls us to live out our Christian discipleship and share it with others. This class will also serve as our New Members Class for those joining in October. Email the church for more information.
